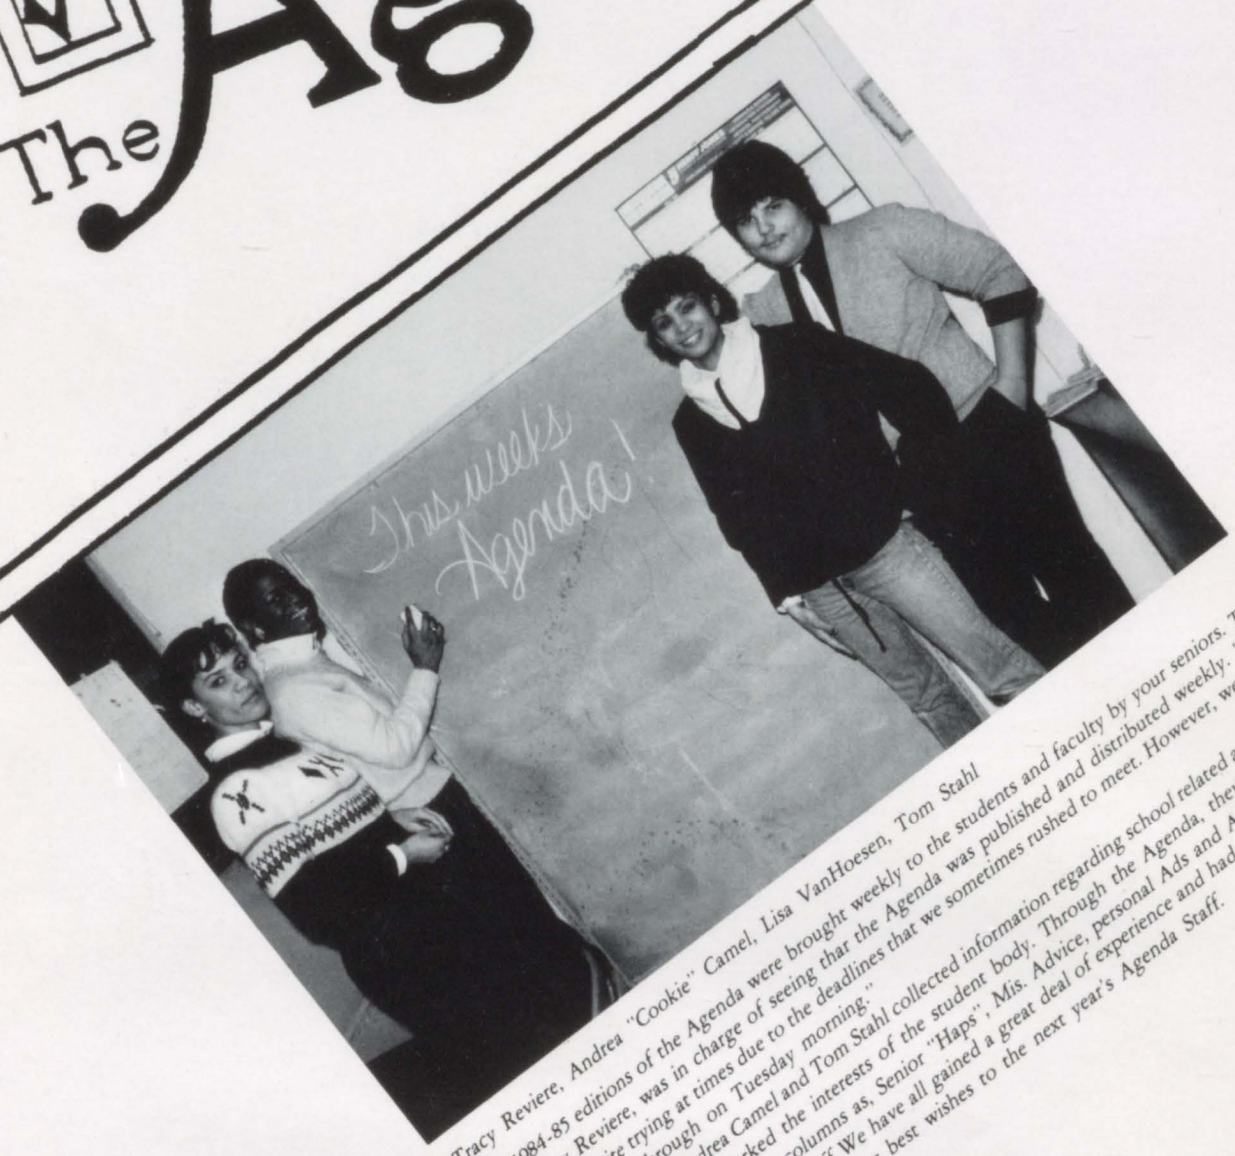
The Agenda



Tracy Reviere, Andrea "Cookie" Camel, Lisa VanHoesen, Tom Stahl

The 1984-85 editions of the Agenda were brought weekly to the students and faculty by your seniors. The editor, Tracy Reviere, was in charge of seeing that the Agenda was published and distributed weekly. "This position was quite trying at times due to the deadlines that we sometimes rushed to meet. However, we always seemed to come through on Tuesday morning."

Lisa Van Hoesen, Andrea Camel and Tom Stahl collected information regarding school related activities and community events that sparked the interests of the student body. Through the Agenda, they were able to express their creativity in such columns as, Senior "Haps", Mis. Advice, personal Ads and Agenda Inguiries.

As members of the Agenda Staff We have all gained a great deal of experience and had a lor of fun in the process. We would like to extend our best wishes to the nexr year's Agenda Staff.
